Victory for Australia is a crowning moment in what has been a phenomenal year for Pat Cummins’ side across formats, adding to their win over India in the Test Championship final in June and their subsequent retention of the Ashes. Australia were wobbling at 47-3 in pursuit of a target of 241 against unbeaten tournament hosts India. But left-handed opener Head’s 95-ball century, including 14 fours and a six, helped take them to 185-3 in the 34th over.
